

# Indoor Dome 1080P 2MP Metal Housing IMX291 IP Starlight Camera MVT-M3580S

## FEATURES

M'TEAM

**Starlight IP Camera**  
Super Low-Light Effect (Under 0.001Lux)

STARLIGHT MOTION 1080P HD P2P POE

No light B/W Mode Low light Color Mode Daytime Clear Color Mode

The graphic features a white dome camera with 'M'TEAM' branding. Below the camera are three video preview windows showing a conference room under different lighting conditions: 'No light' (B/W Mode), 'Low light' (Color Mode), and 'Daytime' (Clear Color Mode). The 'No light' window shows a dark room with a table and chairs. The 'Low light' window shows the same room with some color visible. The 'Daytime' window shows the room in full color with a person sitting at the table.

- \*Adopts Hisilicon DSP Hi3516CV300 plus Sony CMOS IMX291, resolution upto 1080P/2MP
- \*Super good performance in low light environment, low illumination under 0.001Lux
- \*Compression format
- \*3MP 2.8-12mm varifocal lens, 35m IR distance

### Starlight IP camera VS Common Camera in low light environment.

XVR Common Camera → Starlight IP Camera →

D02 D03 starlight ipc imx291

The comparison shows two side-by-side video feeds of the same conference room. The top feed, labeled 'XVR Common Camera', shows a very dark and grainy image where details are lost. The bottom feed, labeled 'Starlight IP Camera', shows a clear, bright, and detailed image of the same room, demonstrating superior low-light performance. The bottom feed also includes a timestamp '2017-12-14 00:31:22' and a camera ID 'starlight ipc imx291'.

If you want to view the real image quality of starlight ip camera, please check below video record.

Warmly notice: please do setup the player image quality to 1080p when watch the video.
