The diagram illustrates the measurement points for a door lock installation. It shows two views of a door: a side view on the left and a front view on the right. The side view shows the lock mechanism with a handle and a side bar. The front view shows the door frame and the lock's mounting plate. Red lines and letters A through E indicate the specific measurements to be taken.

- A**: Lock side bar length (measured from the top of the lock mechanism to the bottom of the side bar).
- B**: Lock side bar width (measured across the top of the side bar).
- C**: Door thickness (measured across the edge of the door).
- D**: Door frame bar width (measured across the top of the door frame).
- E**: Door frame bar length (measured from the top of the door frame to the bottom of the side bar).

Please send above measurement to us.
We will recommend the correct door lock for you.
