

## Digital APP Controlled Front Door Lock Smart WiFi Bluetooth Fingerprint Door Lock With SMS For Residential Home Office

### Advantages

MVTEAM smart door locks are perfect for Airbnb properties, office buildings, rental properties, residential, industrial, and any location needing remote monitoring and management of locks. It gives you both wifi connected and no-internet lock control.

\* **When no-internet**, allows property owners to send their guests with temporary access codes by SMS that start and end when you want, so guests can't enter your property one minute before or after you want.

\* **When enable WiFi**, it allows users to manage access remotely, know when people unlock doors, allows property owners to delete or change the passcode/eKey/fingerprint remotely.

## Features

- 1- Multiple unlock mode: APP, Fingerprint, Password, Card, mechanical key
- 2- Bluetooth connection, Support Mobile phone APP (TTlock) remote open door, and the records could be received at real time on mobile phone.
